Soul Awakened

Key to the Cursed, #2

Soul Awakened can be a standalone book however the reader can enjoy the story so much more if they've read the first book "Soul Reborn." I know other readers are going to love this series as much as I do. Get settled in for a thrilling paranormal tale.

We get introduced to three sisters who hold the keys to undoing a decade's old curse and preventing the end of the world as we know it.

This is Kendra and Bakari's story. Kendra is an Egyptologist and her sister has just been mated to Asar, the god of the underworld. Bakari is Asar's son. He is the one who punishes the souls after Asar has judged them. There is a slight problem, he is trapped

in an Egyptian Sarcophagus by a spell from the evil goddess Kepi. She wants to rule the world with chaos and darkness. She has been judged by Asar, but is awaiting punishment from Bakari.

Kendra is the key to unlocking the sarcophagus and freeing Bakari. Will she find the key in time to save Bakari from his own worst enemy, himself? The fate of the world depends on his recovery and his ability to resume his duties. Kendra is the key to both unlocking him from his prison and unlocking his heart so he can be healed. The only question is, will they both survive?

LOVE FOR BLOOD OR HONOR

Kendra, an Egyptologist and demi-god in waiting, is the key to unlocking Bakari, the Egyptian God of Death, from his cursed slumber. Desperate to free him, she inadvertently binds herself to the god with a spell that only death will undo. To save Bakari from himself, she may have to sacrifice her innocence, and possibly her soul, before he becomes his family's worst enemy.

HAUNTED BY SINS OF THE PAST

Bakari awakens to a world at war and a beautiful woman who has tethered his soul to hers. In the wake of his self-destruction Kendra is his only hope of salvation, but another has vowed to keep Bakari from the one thing he craves most — his Parvana. His butterfly.
